

EUREKA COUNTRY CLUB  
Golf Course Rules, Regulations & Etiquette  
April 17, 2010

We have a nice course, please be proud of it and help keep the course in good shape.

1. Guests of members who live within the USD 389 boundaries may play once per calendar year. Guests of members who live outside the USD 389 boundaries do not have this limitation. **ALL GUESTS MUST REGISTER AT #1 TEE** before playing. **GREEN FEES** are required FOR ALL GUESTS and may be paid at #1 Tee or in the clubhouse.. Fees may be charged to a member's account. Green fees are **\$15.00 weekdays, weekends, and holidays**. Guests include: friends, grandchildren, grown children or anyone not included on your membership.
2. Your grown children may participate in club activities on your membership only if they reside with you and are 21 years old or younger or, they are a full time student at an acceded university and are 22 years old or younger. If your grown children do not meet one of these criteria and are local residents, they must have their own membership to use the golf course and participate in club activities.
3. **SLOW PLAY:** This is not meant to hurry your play, however, if you are slower than the group behind you, let them play through.
4. **FAST PLAY:** Don't expect to have the whole course to yourself. People who play fast need to understand some people are new to the course and others don't like to feel "rushed".
5. **REPLACE DIVOTS IN FAIRWAYS, GREENS, TEES, AND ROUGHS.** Use sand to fill them when available. If you see one, fill it whether or not you made it.
6. Pick up trash and put it in the trash barrels on each tee.
7. Play in twosome or foursome. You can have a maximum of five in one group. If at all possible, **USE TWO PEOPLE PER GOLF CART.**
8. Use the roughs when driving to your next shot using the 90 degree rule.
9. Course will be closed to carts when deemed too muddy and soft for their use. Signs will be posted at the #1 and #8 tee boxes when necessary.
10. Members using golf carts are asked not to drive their carts within twenty feet of the greens and to obey the small **NO CARTS** signs throughout the course.
11. If a green is being watered **DO NOT STAND ON THE SPRINKLER HEAD** to stop the water and allow a player to putt. This will seriously damage the sprinkler heads.
12. No children under 16 years of age are to drive golf carts around the club house or on the golf course unless accompanied by an adult. Please inform your children of this rule. This will be monitored and enforced.
13. Members of the club who choose not to store their golf cart at the club are required to pay the \$5.00 trail charge. This fee applies to guests also.
14. If you are unsure of the rules or need clarification, please contact a board member. They will be happy
